# ANNUAL REPORT

of the

## OFFICERS

of the

## TOWN OF ASHLAND

FOR THE FISCAL YEAR ENDING DECEMBER 31

**1951**

This is your report of activities for the year of 1951, a brief picture of the accomplishments of those selected to run your government. The success of any government depends to a large degree upon the attitudes of the people. A lack of real interest, or criticism voiced without knowledge and understanding, are factors which can undermine and lead to the ultimate destruction of the best government. Become acquainted with **your** government and its problems, assist in any way you are able to help it to provide the greatest possible benefit for the community as a whole.

# The State of New Hampshire

## Warrant for 1951

---

To the Inhabitants of the Town of Ashland in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the High School Auditorium in said Ashland on Tuesday the 13th day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To see if the Town will approve and adopt the recommendation of the Budget Committee and raise and appropriate the sum of \$87,989.67, the various sums contained in the report and listed in the Budget as follows:

a.	For Town Officers' Salaries	\$ 5,625.00
b.	For Town Officers' Expenses	3,215.00
c.	For Election and Registration	340.00
d.	For Municipal Court Expenses	150.00
e.	For Town Buildings	1,800.00
f.	For the Police Department	3,215.00
g.	For the Fire Department	4,500.00
h.	For Tree Care	500.00
i.	For the Health Department	3,900.00
j.	For Vital Statistics	10.00
k.	For the Highway Department	12,000.00
l.	For Street Resurfacing	2,000.00
m.	For Town Road Aid	318.67
n.	For the Town Library	1,000.00
o.	For the Town Poor	1,800.00
p.	For Old Age Assistance	4,500.00
q.	For Patriotic Purposes	300.00
r.	For the Booster Club	1,200.00
s.	For Utilities	29,000.00
t.	For the Lakes Region Association	216.00
u.	For Interest	900.00
v.	For New Highway Construction	3,000.00
w.	For Sidewalk Construction	500.00
x.	For Repair of Town Dam	300.00
y.	For Sidewalk Snowplow	3,950.00
z.	For Principal on Bonded Debt	4,000.00

3. To see if the Town of Ashland will vote to raise and appropriate the sum of \$11,500.00 for the extension of water mains on Thompson Street. Voted to borrow \$11,500.00.

4. To see if the Town will vote to raise and appropriate annually the sum of \$500.00 to be deposited in a Capital Reserve Fund for the financing of all or part of the cost of a fire truck all in accordance with the provisions of Sections 1 through 13, Chapter 160, N. H. Laws 1943. (Adopted as read)

5. To see if the Town will vote to deposit annually the sum of \$500.00 to a Capital Reserve Fund for the financing of all or part of future reconstruction of the electric light system. Said \$500.00 to be derived only from surplus collections of the electric department and no part of the amount to be raised by taxation. All in accordance with the provisions of Section 1 through 13, Chapter 160, N. H. Laws, 1943. (Adopted)

6. To see if the Town will authorize the Selectmen and Town Treasurer to borrow a sum or sums not exceeding in the aggregate \$50,000 in anticipation of the collection of taxes for the current municipal year, and to issue in the name and on the credit of the Town negotiable notes therefor, said notes to be repaid during the current municipal year from taxes collected during the current municipal year. (Adopted)

7. To see if the Town will vote to approve the installation of water meters. (Voted to dismiss)

8. To see if the Town will authorize the Selectmen to sell, rent, lease or otherwise dispose of all or part of the so-called sawmill property on River Street. (Adopted)

9. Shall the provisions of Chapter 171-A of the Revised Laws relating to playing games of Beano be adopted in this Town? (According to State Law this article will appear on the printed ballot). (Adopted)

10. To see if the Town will accept trust funds for cemetery care as recommended by the Town Trustees. (Adopted)

Given under our hand and seal, this 20th day of February in the year of our Lord nineteen hundred and fifty-one.

ALLEN K. OBER

## STATE OF NEW HAMPSHIRE

### Warrant for 1952

---

To the Inhabitants of the Town of Ashland in the County of Grafton in said State, qualified to vote in town Affairs:

You are hereby notified to meet at the High School Auditorium in said Ashland on Tuesday the 11th day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to keep the Town Manager plan as provided in Chapter 55 of the Revised laws as amended. (Petitioned according to State Law this article will appear on the printed ballot.)
3. Shall the provisions of Chapter 171-A of the Revised laws relating to playing games of Beano be adopted in this Town. (According to State Law this article will appear on the printed ballot.)
4. To see if the Town will vote to adopt a plan for extending to employees of the Town the benefits of Title II of the Federal Social Security Act (Old Age & Survivors Insurance) as authorized by Chapter 234 of the Laws of 1951 and to raise and appropriate the sum of \$590.00 to defray the Town's share of the cost thereof, being 2% of the estimated total Town payroll for all employees and officials for the year 1952.
5. If the foregoing article is adopted, to see if the Town will authorize the Selectmen to execute on behalf of the Town the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the Town will designate the Board of Selectmen as the officers to be responsible for the administration of the plan.
6. To see if the Town will approve and adopt the special recommendations of the Budget Committee and vote to raise and appropriate the various sums contained in the report and listed in the Budget as follows:

Account	Recommended
Town Officers' Salaries	\$ 5,725.00
Town Officers' Expenses	3,900.00
Municipal Court	200.00
Maintenance of Town Bldgs. & Structures	6,207.00
Election and Registration	694.00
Police Department	3,920.00
Fire Department	4,570.00
Health Department	3,935.00
Vital Statistics	10.00
Town Maintenance	16,775.00
Town Road Aid	261.66
Street Resurfacing	2,000.00
Library	1,000.00
Town Welfare	1,800.00
Old Age Assistance	4,600.00
Patriotic Purposes	300.00
Interest	720.00
Public Service Utilities:	
Electric Department	24,895.00
Water Department	4,425.00
Debt Retirement	7,000.00
Capital Reserves	500.00
New Equipment	2,375.00
Civil Defense	50.00
	Without Recommendation
Booster Club	700.00
Social Security	590.00

7. To see if the Town will authorize the Selectmen and Town Treasurer to borrow a sum or sums not exceeding in the aggregate \$50,000.00 in anticipation of the collection of taxes for the current municipal year, and to issue in the name and on the credit of the Town, negotiable notes therefor, said notes to be repaid during the current municipal year from taxes collected during the current municipal year.

8. To see if the Town will vote to rescind the vote taken by the Town to adopt the so-called Australian Ballot, the same now being in use, and to see if the Town will vote to adopt in place thereof, the Non-partisan ballot system, as provided in the Election Laws for 1952, Chapter 34, Sections 112 to 125, the system not to be in effect in said Town until the Town Meeting next following the meeting at which such action is taken. (Petitioned)

9. To see if the Town will vote to raise and appropriate a sum of money for the removal of a large boulder on Thompson Street, opposite the R. M. Whitcomb's garage, which hinders traffic dangerously; also for the widening, grading and oiling of High Street which is off Thompson Street in said Ashland, New Hampshire. Drainage of surface water is very inadequate. (Petitioned—appropriation not recommended by the Budget Committee)

10. To see if the Town will vote to take over and maintain as a Town Road the piece of road running from Winter Street to Farmer's Grain Store and to empower the Selectmen to take any necessary action thereto. (Petitioned)

11. To see if the Town will vote to raise and appropriate the sum of \$700.00 for the construction of a new sidewalk on River Street. (Petitioned—petition received too late for Budget Committee consideration)

12. To see if the Town will vote to plow all driveways and roads leading to houses of taxpayers, which has been done in the past. (Petitioned)

13. To see if the Town will vote to reopen the Brogan Road, so-called. (Petitioned)

14. To transact any other business that may legally come before said meeting.

Given under our hands and seals, this 23rd day of February, in the year of our Lord nineteen hundred and fifty-two.

**DIVISION OF MUNICIPAL ACCOUNTING**  
**State Tax Commission---Concord, N. H.**

February 12, 1952

Board of Selectmen  
Ashland, New Hampshire  
Gentlemen:

Submitted herewith is the report of the annual audit and examination of the accounts of the Town of Ashland for the fiscal year ended December 31, 1951, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

**Scope of Audit**

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Water and Electric Light Departments, Municipal Court and Library.

**Financial Statements**

**Comparative Balance Sheets: Dec. 31, 1950-Dec. 31, 1951: (Exhibit A)**

Comparative Balance Sheets as of December 31, 1950 and December 31, 1951, are presented in Exhibit A. As indicated therein the Surplus decreased by \$12,036.07 in 1951.

**Analysis of Change in Financial Condition: (Exhibit B)**

An analysis of the change in financial condition of the Town during the year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

**Decreases in Surplus**

Long Term Notes Issued	\$11,500.00
1950 Cash Surplus used to reduce	
1951 Tax Rate	12,000.00
Water & Light Dept. Balance	
Transferred to General Funds	383.43
Refunds other than Tax Refunds	4.37
Increase in Accounts Payable	2.07
	_____
	\$23,889.87

### Increases in Surplus

Net Budget Surplus	\$4,096.19
Bonds Matured and Paid	4,000.00
Long Term Notes Paid	3,500.00
Increase in Accounts Receivable	165.11
Tax Collector's cash on hand a/c 1951	
State Head Taxes & Penalties Coll.	92.50
	<hr/>
	11,853.80
Net Decrease	<hr/> \$12,036.07

### Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1951, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net unexpended balance of appropriations of \$3,117.39, plus a net revenue surplus of \$978.80, resulted in a net budget surplus of \$4,096.19.

### Summary of Receipts and Expenditures: (Exhibit E)

A summary of receipts and expenditures for the fiscal year ended December 31, 1951, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance, as of December 31, 1951, is indicated in Exhibit F.

### Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

## General Comments

### Current Surplus:

It will be noted that the years 1950 and 1951 each ended with the Town showing a current surplus—i. e., excess of total assets over current liabilities, as indicated herewith:

	Dec. 31, '50	Dec. 31, '51
Total Assets	\$59,790.61	\$67,191.79
Current Liabilities	28,616.42	44,053.67
Current Surplus	\$31,174.19	\$23,138.12

The reduction in the current surplus during 1951 was due to the fact that \$12,000.00 of the 1950 cash surplus, which included \$10,000.00 of insurance funds received on account of the fire which destroyed the former municipal electric plant building, was used to reduce the 1951 tax rate.

### Municipal Water and Light Departments:

It is noted that in accordance with the recommendation made in our report last year, the Water and Light Departments were included in the 1951 budget of the Town.

### Conclusion:

The accounts of the officials which we examined were found to be in good condition and the accounting procedure conformed to prescribed methods.

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report. This letter of transmittal should be included in its entirety.

We extend our thanks to the officials of the Town of Ashland for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director

Div. Municipal Accounting, State Tax. Comm.

Alan R. Matthews, Auditor

Hugh J. Cassidy, Accountant

Division of Municipal Accounting  
State Tax Commission—Concord, New Hampshire

February 12, 1952

---

**Certificate of Audit**

This is to certify that we have examined and audited the accounts and records of the Town of Ashland for the fiscal year ended December 31, 1951, and found them to be in good order. In our opinion the Exhibits included herewith reflect the true financial condition of the Town of Ashland on December 31, 1951, and the results of operations for the period under review.

Respectfully submitted,  
HAROLD G. FOWLER, Director  
Div. Municipal Accounting, State Tax. Comm.

Alan R. Matthews, Auditor  
Hugh J. Cassidy, Accountant

## Town Clerk's Report

---

A Town Clerk's business is the keeping of Town records regarding the people's business, so that what is done over the years—who is born, who is married, and who dies, becomes a vital statistic, and the decisions that are made become a matter of public record upon which the life and tenor of a town stands or falls.

The duties of the clerk are varied and exacting, requiring particular attention to detail and accuracy. During the past year this office has entered many conditional sale contracts and personal mortgages, recorded Ordinances and Appointments made by the Board of Selectmen; issued Burial Permits, dog licenses, automobile tax permits, marriage licenses and birth and death certificates, and attended a Town Clerk's meeting at Peterboro, N. H. Has issued Venires for Jury duty in the May and September terms, drawing four legal voters to serve at the Grant and Petit Juries.

Since 1941 vital statistics have become a very important part of Town Clerk work. Proof of who you are and when you became, has to be furnished constantly, this being a scientific, rational age when seeing in duplicate and triplicate, is the only believing. It is a credit to the Town and City Clerks in the State of New Hampshire that they stand high nationally in recording or obtaining records of over 98% of the State's births.

All recording has become more complex and comprehensive in recent years and this is so in Ashland. Files must be continuous and up-to-date and readily accessible. The exchange of birth, death and marriage records and all reports to the State Department prompt.

Births, deaths and marriages for the past five years have averaged in the vicinity of 100; dog licenses have varied between 150 and 175; and auto permits have increased from about 300 in 1941 to over 700 in 1951, with about double the revenue to the town.

The State Departments funnel all notices through the Town Clerks' offices, whose responsibility is to see that they get posted and published properly; this, including all elections—Town, Primary, Biennial and Presidential. All of these phases add up to a very busy office, full of information for the use of the townspeople.

## Review of Year

---

In contrast to the row upon row of figures which make up the financial picture of the Town, let us take a brief look at some of the highlights of the year just past:

### Municipal Court

The required duties of Ashland's Municipal Judge seem to be increasing each year. There are various factors which have a bearing on this increase. A change in the State Laws raising the limits on small claims is probably the major cause, with increasing demands for reports by various agencies concerned, and requests for information about particular cases also being responsible in large part.

During the past year there were fourteen criminal cases before the Court, two for intoxication, eleven for violation of motor laws, and one on a morals charge. Sixty small claims cases were considered with judgment entered after hearing in 49 cases and 19 cases of judgment entered upon default.

### Public Safety

The Department for the preservation of law and order, headed by Chief Hodgdon, found the past year a relatively quiet one. It was necessary to make three arrests for driving under the influence of liquor and ten parking tickets were issued. This seems to be a very small number and certainly there were more violations than might be indicated but it is the present policy to issue a warning first and issue the tickets with attendant fine only upon repeated offense. There was little demand for bed and board for transients. Five itinerant guests were housed at their own request with meals provided to approximately 75 persons.

The Fire Department under the direction of Chief George Cote has held their regular meetings nearly every week and in addition there were two major fires—the forest fire in North Ashland and the destructive fire when the School vocational training building burned. Twice equipment was called to the dump to extinguish fires which spread from burning refuse. There were two chimney fires and one in the Woolen Mill when stock was overheated, a flooded oil burner, and a fire due to faulty wiring. There

was also a response to a brush fire in Bridgewater thought to have started from a passing locomotive. All taken together, indicates quite an active year. While we all want the best of Fire Fighting Equipment and should have it, the past year's record indicates that there is a real need for Fire Prevention. This is one activity where we would much rather have the equipment rust away or become obsolete than be worn out from necessary use.

## Forest Fire Warden's Report

### 1951 Fire Record

#### Only YOU can PREVENT<sup>1</sup> Forest Fires

New Hampshire faces a real forest fire problem and challenge! To meet it successfully, New Hampshire and your community needs YOUR thoughtful and cooperative effort.

Continuously heavy lumbering operations following the hurricane has produced more than 4 billion board feet of lumber. This lumber helped win World War II, meet post war needs and now the current requirements for the Korean military action. But it has added nearly 900,000 acres of slash to our already sizeable slash problem.

When YOU fail to use needed precautions while burning in or near woodlands—

When YOU fail to secure the required permit from your local forest fire warden before burning—

When YOU are careless in smoking near woodlands—

When YOU throw lighted cigars, cigarettes and matches from vehicles moving along the highway—

YOU are violating fundamental common sense and may easily contribute to a substantial and costly fire. Such conflagrations are possible because of the hundreds of thousands of slash acres throughout the state.

REMEMBER—the fire YOU prevent might be one which could conceivably burn YOUR property and harm YOUR community!

ONLY YOU and YOU and YOU can prevent forest fires!  
Will YOU help!

Number of Fires ..... 2

Acreage Burned ..... 302

RODGER McGLONE  
Forest Fire Warden

## Library Report

This year the Library Committee has cooperated with the School in establishing a branch of the Library at the School, making it possible for the pupils to have reference books at hand. Eighteen new books were purchased for the purpose.

The recent newspaper contests bring many people into the Library and much satisfaction has been expressed in the use of the new encyclopedias and dictionary recently purchased.

Each year there will be a condensed form encyclopedia added.

Unlike most Libraries, our magazines are available to be taken out on Library cards the same as Library Books. Last year a new magazine was added "The Children's Digest" and it proved to be very popular. This year another new one will be added, "The Parents Magazine."

Always remember the reason for a large balance is due to the fact that our fiscal year does not coincide with the Town's, and we have six months to run on that balance.

PAULINE L. PACKARD

Treasurer

## Policy

Your Board of Selectmen is the group whose duty it is to determine the policies to be followed by the various departments of government. They experienced a busy year following Town Meeting last March—they

Authorized the purchase of an Oliver tractor, with which sidewalks could be plowed.

Authorized a loan for the purpose of water extensions.

Authorized the raising of the Town dam.

Authorized the purchase of a fire hose and equipment.

Voted that the Oliver tractor should not be used for private work.

Voted that Town employees should not be used to surface private driveways.

Authorized the sale of scrap metal remaining after the Sawmill fire.

Prepared and legalized an ordinance for the collection of delinquent electric bills.

Authorized the water extension on the sawmill road.

Voted to cease the practice of removing snow from privately owned driveways.

Voted to cease the practice of sanding private sidewalks.

Authorized the installation of toilet facilities and the addition of a board room in the Town Office.

Performed the functions of the manager during the period between the departure of Mr. Marden and the arrival of the new manager.

## Administration

Once again Ashland found it necessary to appoint a different manager due to the fact that Mr. Marden was offered employment in another field. There are, invariably, complications whenever there is a change in management, whether occurring in industry or a municipality. One doesn't pick up the reins of guidance and leave the team in ignorance of the change. Further consolidation of activities occurred with the bookkeeping of the Water Dept. now being done under the supervision of the manager in the Town Office. Nearly all purchasing is done in the Manager's Office with competitive bidding on any major purchase. This permits of more accurate financial control and eliminates much of the chance of duplicate payments,

## Highway Department

The snow removal problem for the first part of the year was rather an easy chore because there were no really heavy storms. The spring problem was somewhat serious and expensive, however, because of the two roads which were badly washed out, the Lambert and Leavitt Hill Roads. Much needs to be done to correct the existing drainage, or rather, lack of it on the steep hillside roads where the runoff is extremely rapid and invariably causes erosion.

Approximately two-thirds of the planned resurfacing program was completed. The cost of the treatment was greater than had been anticipated so available funds did not provide for the entire program.

Little was done toward reconstruction that had been planned. Two culverts were installed on Thompson Street in anticipation of future work. Work was started on the Leavitt Hill Road, the T. R. A. Project for the year, but because of unanticipated Right-of-Way problems, activities were halted. It is hoped that necessary Rights-of-Way can be obtained in time to continue the work this spring. If not, another location must be selected.

## Electric Department

Mr. Robert Eastman found it necessary because of ill health to submit his resignation as Superintendent of the Electric Department during the past summer. E. L. Marsh was employed to fill the vacancy on a full time basis. There were no major extensions to the Electric Distribution System during the year just past and no abnormal maintenance was required.

## Water Department

There was a relatively large water main extension project on Thompson Street where nearly two-thirds of a mile of 6-inch fire main was installed by Graton Associates, a local contractor. Five new hydrants were added to the system. Approximately 900 feet of 2-inch pipe was laid on the Sawmill Road under agreement with the petitioning consumers.

There were but two breaks in the distribution system during the year which should be considered as almost a minimum of trouble. Twelve services were renewed including that to the Grammar School Building. This service was supplied by two tappings of lesser size, one of which was entirely filled and the other almost completely so. It is believed possible that the pipes within the building are in a somewhat similar condition.

The Superintendent makes a trip to the chlorination station each day to see that everything is in good working order so that the precautionary treatment required by the State Board of Health may be uninterrupted in so far as possible.

## Civil Defense

Since taking over the post of Local Director of Civil Defense, I have tried to bring the Civil Defense of the Town of Ashland up to date. This post was recently vacated by Mr. Hiram Gingras.

All the Civil Defense Unit leaders have been appointed and vacancies filled. When you read this, all surveys will have been conducted, all questionnaires completed and filed with the State Director in Concord.

All your questions as to Civil Defense can be answered to your satisfaction by the Town Manager or the local Civil Defense Director.

ERNEST B. HOLT

Local Civil Defense Director

# Minutes of School Meeting

March 8, 1951

---

The meeting was called to order by Moderator Thomas Pryor who proceeded to read the Warrant and the following action was taken thereunder:

Article 1. Richard Merrill nominated Thomas Pryor for Moderator, and Mr. Pryor declined the nomination, and the following were nominated and declined: Louise Brock, Hiram Gingras, Dr. H. S. Kaplan, Margaret P. Whitcomb, Ralph Beaman, Ernest Paquette and William Norman.

It was then suggested by the Moderator that in view of the fact that he would complete his tenure of office by presiding at this meeting; that he would await a motion to take up this article at a later time. On motion of Harry L. Cote, seconded, it was voted to take up this article after all other business.

Article 2. On motion of Pauline Packard, seconded, Lillian M. Young was nominated as clerk; on motion of William Norman, seconded, the nominations were declared closed. On motion of Raymond Micklon, seconded, Supervisor Hiram Gingras cast one ballot and Lillian M. Young was declared elected.

Articles 3 & 3a. The Moderator recommended that Article 3a be taken up first and on suggestion of the School Board, the checklist and ballots, be used. William Norman, Richard Gordon and Ernest Paquette were appointed tellers.

Nominations for one year terms were:

Alden Brown and Harry L. Cote

- 1) Total number cast 151, necessary for a choice 76; Richard Gordon, William Norman and Ellen Flanders each had one vote,  
Alden Brown had 75 votes  
Harry L. Cote had 72 votes, and there was no choice; and on the second balloting—
- 2) Total cast—147, necessary for a choice 74, Alden Brown had 82 votes, Harry L. Cote had 65, and Alden Brown was declared elected for a one year term.

Article 3. Nominations for one Member for 3 years were made as follows:

Dr. Samuel Feiner

Harry L. Cote (who declined)

Norman Weden

Richard Gordon

Ernest Paquette, and the ballot closed.

Total number cast 167, necessary for a choice 84 Dr. S. Feiner had 131 votes, Ernest J. Paquette had 4 votes, Richard Gordon had 6 votes, Norman Weden had 3 votes and Dr. Samuel Feiner was declared elected.

Nominations were opened for the 2nd Member for 3 years, and were as follows:

Dr. Hyman S. Kaplan

Mrs. Rhenda Paquette

Marion Merrill

Richard Gordon and E. J. Paquette; the nominations declared closed, with the following results:

Total number cast 153, necessary for a choice 74 Dr. H. S. Kaplan had 84 votes, Rhenda Paquette had 22 votes, Marion Merrill had 31 votes, Richard Gordon had 15 votes, Ernest J. Paquette had 1 vote; and Dr. H. S. Kaplan having a majority was declared elected.

Article 4. Treasurer—Lillian M. Young was nominated, seconded, and elected by the casting of one ballot by Hiram Gingras.

Article 5. Salary of District Officers—On motion of Laurent Ruell, it was voted to appoint \$115.00 for the salary of the Moderator for 2 years and the salary of the Treasurer.

Article 6. Reports of Agents, Auditors and Committees, dismissed.

Article 7. Motion made by Laurent Ruell that we petition the State Auditors to audit the school books for the ensuing year. Motion put and carried.

Article 8. Discussion of the legality of the preparation and publishing of the School Budget by the Town Budget Committee was made and a letter from Atty. Arthur Nighswander of Laconia was offered to be read, by Chairman Laurent J. Ruell of the School Board. This stated in essence that it was the opinion of this attorney that an itemized statement from the Budget Committee legally should be published in accordance with the Municipal Budget act under which the town functions. Remarks relative thereto were made by Mrs. Margaret Whitcomb, Chairman of the Budget Committee, in which she stated how the Committee arrived at the figure allowed the School Board, who, she stated, had been asked to present an itemized budget to answer the queries of her committee, but that this was not done, so that a lump sum figure was allowed, there being no other course to follow. That the Budget was published in the Laconia Citizen on February 24th and in the Ashland Citizen on March 1st, 1951, and it was believed that this publishing fulfilled the legal requirement.

Mr. Ruell then stated that he and Mr. Duffy believed the School Budget as presented to the Budget Committee was clear and self-explanatory and did not need further breakdown.

Further discussion ensued on the question put by William Norman as to whether the Budget as printed in the Town Report was the final School Budget, to which Mr. Ruell replied, it was and that it had been made up "last Sunday night." This figure was at variance with the Town Budget Committee's allowance and according to the school committee was the minimum on which they could function.

There were further remarks by Mr. Ruell, Herman Pearson, John Bilodeau, Homer Young and Dr. H. S. Kaplan regarding the book deficit of \$6,442. which was understood by the Budget Committee to have been allowed in the 1950-51 School Budget, but which the School Committee said had not been cleared at this date. Mr. John Bilodeau stated that the School Board thought they might be able to reduce this deficit by about \$3,000 by the end of this fiscal year. Roger Guyotte and Margaret Whitcomb carried the discussion into the legality of the School Board spending money earmarked for special purposes for other items; this not being within the requirements of the Budget Act, as under-

stood. Mr. Ruell stated that it was within their (the School Board's) jurisdiction to shift the money raised around where needed. Mention was made of the adding machine which was supposed to have been purchased. Mr. John Bilodeau said it was here, but not in use.

Mrs. Margaret Whitcomb stated her position as Chairman and representative of the Ashland Budget Committee in that the committee felt that a brake should be put on all expenses and particularly the school which asks for more funds each year. The present percentage of town expenditure being 61 cents for schools and 39 cents for town administration, the proportion being too costly for the expense of educating our youth.

After more discussion, the following motion, seconded, was made by Charles Hall: that the sum of \$71,837.10 be raised and appropriated, etc. in accordance with this article.

There followed discussion regarding school procedure, subjects taught, curricula, comparison with other schools of similar size, purchasing power of school superintendent, State Aid, salaries of teachers, and the fact that this motion would give the Board \$1,600. more than the Budget of the previous year.

The motion of Charles Hall as made above was put and carried by acclamation.

A motion was made for a ballot vote on the same question. Carried; and the results were as follows:

Yea—91; Noes—38, and the motion carried to raise and appropriate \$71,837.10.

Article 1. Moderator: After several nominations, all of whom declined, Richard Merrill was nominated, seconded and elected as Moderator by acclamation.

Adjournment at 11:30 p. m.

LILLIAN YOUNG, Clerk

## SPECIAL MEETING—MAY 12, 1951

The Special Meeting was called to order at 2 P. M. D.S.T. by Moderator Richard Merrill, who proceeded to read the Warrant:

The action taken was as follows:

Article 1. It was voted to rescind the action taken under Article 8 of the March School Meeting.

Article 2. It was voted to raise and appropriate the sum of \$73,822.66 for the support of schools, etc.

Article 3. It was voted to raise and appropriate \$6,442.00 to meet the current fiscal year's deficiency due to the summer salary payments due the teachers.

It was further stated that the School Board had pledged the Budget Committee that any over-balance of this amount would be turned in toward the next school budget as a credit balance.

Article 4. A report on the receipts and expenditures on the new gymnasium was read by Dr. H. S. Kaplan, showing a credit balance to date of \$699.34. It was voted to authorize the Board to use any balance, in this fund to correct the stage-side basketball backboard. Any remainder to be used to install kitchen units in the gymnasium.

A report on the activities fund was given by Headmaster Howard Kimball and how it did not conflict in practice with the Special Activities Fund now included in the School Budget. It was suggested that the Activities Fund name be changed to avoid further confusion.

It was pointed out that the School paid nothing for its electricity and it was suggested that this be figured as a part of the next school budget, even though it was a Town-owned utility and payment would be only a cross-bookkeeping account. On a motion of Mrs. L. W. Packard, seconded, this suggestion was put to a vote and carried.

Adjournment.

LILLIAN M. YOUNG. Clerk

## SPECIAL SCHOOL MEETING—FEBRUARY 7, 1952

### Report of Meeting:

In accordance with the published Warrant, the meeting was called to order at 8 P. M. by the Moderator, Richard Merrill; the Warrant read and articles taken up as follows:

Article 1. It was voted to accept the conveyance of the so-called Town Hall building and land as voted by the Town at the Special Town Meeting held this date and prior to this meeting. Motion made by Dr. Samuel Feiner, seconded. Vote by show of hands.

Article 2. After much discussion and a detailing of plans, costs and specifications for remodelling said Town Hall building, it was voted that the Town raise and appropriate the sum of \$8,404.68, the sum needed over and above the insurance money, to defray the cost of said remodelling and equipment for shop, for which said building is to be used.

Dr. S. Feiner, Chairman of the School Board, reported an estimate for remodelling, as made by G. R. Lyford, contractor of Ashland, of \$14,150. an estimate made by Instructor of Shop, J. Bartlett, of equipment for shop, of \$4,975.68; and an insurance premium estimate of \$300. for increasing amount of coverage on all buildings.

Article 3. On motion of Dr. S. Feiner, seconded, it was voted that the sum of the proceeds from the insurance reimbursement, amounting to \$11,040.30 be raised and appropriated for the use of the School Board against such remodelling of the Town Hall building.

Adjournment.

## School Warrant

---

To the Inhabitants of the School District in the Town of Ashland qualified to vote in District affairs:

You are hereby notified to meet at the Gymnasium in said District on the 6th day of March 1952, at 8 o'clock in the evening to act upon the following subjects:

- 1 To choose a Moderator for the coming year.
- 2 To choose a Clerk for the ensuing year.
- 3 To choose two members of the School Board for the ensuing three years.
- 3a To choose a Member of the School Board for one year.
- 4 To choose a Treasurer for the ensuing year.
- 5 To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
- 6 To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
- 7 To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.
- 8 To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District officials and agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income: the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town.

9 To see if the District will authorize or instruct the School Board to sell the land on which the school shop was located.

10 To transact any other business that may legally come before the meeting.

Given under our hands at said Ashland this 20th day of February, 1952.

# Financial Report of School Board

For the Year Ending June 30, 1951

---

## Introductory Comment

Readers of the auditors' report on the following pages may be shocked to learn that the School Board has violated the laws of the State and overdrawn the school appropriation by more than \$7,000.

Believing that our School Board members are not crooks, but conscientious and public spirited citizens, I am prompted to insert these few words of unsolicited explanation.

At our Special District Meeting last May, the sum of \$6,442. was appropriated to pay teachers during the months of July and August. Such a deficiency appropriation in the past has been considered as available for immediate use. In order to complete the business of the current school year, checks for these teachers were written under the date of June 30, 1951. Certain other bills for repairs at the school were also paid on this date.

The auditors have brought to our attention the fact that under the Municipal Budget Act, money voted at the annual meeting cannot be used until the next fiscal year, or after July 1st following the meeting. The School Board's transgression, then, consisted of dating these checks June 30 instead of July 1.

ALMON W. BUSHNELL

Superintendent

**DIVISION OF MUNICIPAL ACCOUNTING**  
**State Tax Commission — Concord, N. H.**

---

July 31, 1951

The School Board  
Ashland School District  
Ashland, New Hampshire

Gentlemen:

Submitted herewith is the report of an audit and examination of the accounts of the Ashland School District for the fiscal year ended June 30, 1951, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

**Scope of Audit**

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

**Financial Statements**

**Comparative Balance Sheets: (Exhibit A)**

Comparative Balance Sheets as of June 30, 1950 and June 30, 1951, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$4,411.62 during the fiscal year ended June 30, 1951.

**Analysis of Change in Financial Condition: (Exhibit B)**

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

**Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits C & D)**

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1951, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net overdraft of appropriations of \$7,604.24, less a net revenue surplus of \$2,878.69, resulted in a net budget deficit of \$4,725.55.

## Summary of Receipts and Expenditures: (Exhibit E)

A summary of receipts and expenditures for the fiscal year ended June 30, 1951, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance, as of June 30, 1951, is indicated in Exhibit F.

### General Comments

#### Appropriation Overdrafts:

The budget summary (Exhibit D) indicates:

Overdrafts of Appropriations	\$8,826.59
Unexpended Balances of Appropriations	1,222.35
Net Overdraft of Appropriations	\$7,604.24

Section 5 of Chapter 52, Revised Laws of New Hampshire, as amended, (Municipal Budget Act) the provisions of which have been adopted by the Town of Ashland, provides as follows:

“5. Exceeding Appropriations. In towns adopting the provisions of this chapter, no board of selectmen, School board, commissioners of a village district wholly within said town, or other expending agency shall pay or agree to pay any money or incur any liability involving the expenditure of money for any purpose for which an appropriation has not been made, or in excess of any appropriation or allotment made to it, except for the purpose of paying judgments rendered against the town or school district or said village district, provided, however, that in case of sudden and unexpected emergency the selectmen or village commissioners on application to the tax commission and the school board on application to the state board of education, after hearing, may be given a certificate of emergency authorizing them to make such expenditure or incur such liability, provided that no such certificate of emergency shall be granted unless the budget committee of the town has approved the expenditure. In cases arising during the year following the annual town meeting where changes occur which make it unnecessary to use the amount appropriated for a specific purpose, an unexpended balance may be transferred by the board of selectmen or the school board or the village commissioners of such village district from one appropriation to another, provided the total amount expended for all purposes does not exceed the total amount appropriated at the town, school or village district meetings for all purposes.”

It must be stated, therefore, that contrary to the provisions of Section 5 of the Municipal Budget Act,—(1) the expenditures of the School District exceeded total budgetary appropriations and (2) no application was made by the School Board to the State Board of Education for authority to exceed appropriations.

**Conclusion:**

. The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual district report. This letter of transmittal should be included in its entirety.

We extend our thanks to the officials of the Ashland School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director  
Div. Mun. Accounting—State Tax Div.

Alan R. Matthews, Auditor

Hugh J. Cassidy, Accountant

July 31, 1951

**CERTIFICATE OF AUDIT**

---

This is to certify that we have examined and audited the accounts and records of the Ashland School District for the fiscal year ended June 30, 1951 and, subject to exceptions as noted in our report, found them to be in order. In our opinion the Exhibits included herewith reflect the true financial condition of the School District, together with the results of operation for the fiscal year ended June 30, 1951.

Respectfully submitted,

HAROLD G. FOWLER, Director  
Div. Mun. Accounting—State Tax Div.

Alan R. Matthews, Auditor

Hugh J. Cassidy, Accountant

## **EXPLANATION**

---

In the past it has been customary to print a detailed itemization of expenditures. In view of the State Auditors' statement above (Exhibit E), it was felt that a considerable savings could be made in the printing bill by omitting this itemization this year. However, the Board has on file and open to any citizen's inspection and study such an itemized breakdown of expenditures and will upon request be very glad to show this at any time.

(Signed) H. S. KAPLAN

Secretary

# Report of Superintendent and Principal

---

## Items of Interest

The total enrollment to date for the school year of 1951-52 is 317. The residence of these pupils shows that 280 are from Ashland, 24 from New Hampton, 8 from Holderness, 4 from Center Harbor and 1 from Bridgewater.

Of the class of 26 which graduated in June, 5 have continued their schooling, 2 have entered the Armed Services, and the rest have entered employment.

Scholarship honors were won by Mary Clark, Joyce Prince and Marilyn Bartlett.

A varied program of activities has been carried on. Dancing, personal typing, boys' cooking, airplane modeling, knitting and sewing, dramatics, glee club, band, and German are in operation at present.

The Pemi-Valley Fish and Game track meet held in October was won by Ashland high school.

The most successful project sponsored by the school to date was the Winter Carnival. The community gave whole-hearted support to this event and to the class of 1953 go our thanks for sponsoring it.

Eric Hughes represented the school at Boys State sponsored by the Legion. Carl Knowlton and Mary Kilgore represented A. H. S. at the U. N. Model Assembly at P.T.C. and were sponsored by the Ashland Booster Club.

Auto driving has been continued this year. The dual control car is furnished through the courtesy of Pease Motor Sales of Plymouth. Recent surveys show that a much smaller percentage of accidents with young people involved occur with those who have had courses in driving than with those who have not.

## New Plans for Shop Work

On December 28, 1951, fire of undetermined origin totally destroyed the school shop. Since the fire, the students enrolled in the shop courses have devoted their time to the study of mechanical drawing and shop mathematics. Their classes have been held on the stage of the gymnasium.

On February 7, 1952, at special town and school district meetings, ownership of the old town hall was transferred from the town to the school district and the money received

from the insurance on the shop was appropriated for necessary remodeling of this structure. The contract for these improvements has been awarded to Colby Lyford who is beginning work this month on the buildings.

### **Curriculum Improvement**

For many years, students graduating from Ashland's eighth grade have been permitted to choose their courses of study in high school. Some would elect college preparatory work; others, commercial, home economics and shop courses. Believing that youngsters of fourteen are too young to decide what their major field of study should be, the school board has authorized a program for the freshman year which would be uniform for all, with no electives. Four subjects are included in this new program: general science, civics, mathematics and English. In addition to these four, one period a day is devoted to a review of the fundamentals.

The remaining two periods of the school day are occupied in "exploratory courses." All the pupils have an opportunity for nine weeks or longer for short courses in typewriting, home economics, shop work, and Spanish.

It may be too early to tell whether or not this new program is better than the old. We are convinced that the review of the fundamentals, especially in reading, is paying good dividends and that our pupils will be able to do better work the next three years because of this training. The exploratory courses help the youngsters learn what their interests and abilities are and assist the teachers in guiding them in the proper choice of electives for the future.

### **Our Teaching Staff**

Ashland has an unusually large percentage of new teachers this year (Harry L. Garnett, Norman Johnson, Ruth S. Joyce, Nancy Namaksy, Paizai Querim and Eleanor Nelson). In November, Norman Johnson, our coach and the teacher of science, was called into military service. Being unable to find a teacher of science and mathematics who was also qualified as an athletic coach, we have hired George Duval to teach these classes and Wilfred Robitaille, who graduated at Plymouth Teachers College in January, as coach of athletics on a part-time basis. We hope that next year it will be possible to find a regular teacher who can also carry on the athletic work.

### **State-wide Supervision**

Occasionally it seems appropriate to explain in this report the New Hampshire state plan of school supervision. To many readers this is a familiar story, but others will find it new.

In New Hampshire all public schools are supervised by a superintendent who is chosen by the local school boards and employed by the State Board of Education. With the exception of the larger cities, the superintendent serves from two to eight school districts, which make up a "supervisory union." Ashland is one of the six towns in the Ashland-Meredith supervisory union, the others being Meredith, Center Harbor, Holderness, Moultonboro and Sandwich.

The superintendent's salary is paid in part by the state and in part by the local districts. Other expenses of his office, including the salary of a secretary, are paid entirely by the six districts in the union. The amount to be assessed for these purposes is determined by a meeting of the union board (all six school boards meeting together) which is usually held in December. The total union budget voted for the year 1952-53 is \$8,641. This is apportioned among the six districts on the basis of school enrollment and adjusted valuation. Ashland's share for the year 1952-53 is 25.1% of the total.

### Teachers are Scarce

Fifty years ago a young man who wanted to work his way through school could stay out for a term or two and teach school to earn money. School boards did not think too much about finding teachers who were well trained..... anyone who was strong in discipline would do. "Teachers are born, not made," was a common saying.

Today parents are not content to have an unqualified teacher for their children. To be a teacher, one must have either a college degree or some experience in teaching. The most crucial problem of public education today is that of providing our children with teachers who are well qualified. Not enough teachers graduate from our state teachers colleges each year to fill the positions that are open, and this shortage is nation-wide. New Hampshire loses each year 100 or more of its teachers to other states that offer better salaries.

Two of the best ways to halt this trend and to set about holding our good teachers in New Hampshire, as well as recruiting young people to enter the profession, are to pay adequate salaries based upon a definitely established salary schedule and to provide satisfactory conditions of employment. Therefore, the State Board of Education has suggested that local school boards act at once to develop a salary schedule or guide for their school system. Those school boards which have already developed and adopted salary schedules can testify to their value and improved morale-building results.

In many districts, including Ashland, the school board has adopted a salary schedule which provides an annual increase for teachers who are doing satisfactory work. Under our schedule, a beginning salary of \$2,400 for a teacher with a bachelor's degree is provided, with an increase of \$100 annually for eight years.

For the year 1951-52, the average salary paid to teachers in New Hampshire is \$2,940. The average in the Ashland-Meredith union is \$2,514, and that of the Ashland teachers is \$2,564.

Respectfully submitted,

ALMON W. BUSHNELL, Superintendent

HOWARD R. KIMBALL, Principal
